YOUR IDEA · GREETING REPLACES THE WORDMARK

Hi, John

BarbersShopsSavedLog out

Trade-off: the brand & the "click logo" cue disappear for the user, and guests have no name to show — so the spot sits empty or needs different copy. The pole alone is a weak home affordance.

2 · BARBER-POLE COLOR

Red/white/blue is the US convention (not a rule). What makes it read "barber pole" is the diagonal tri-stripe rhythm — so we can keep that rhythm in your warm palette.
